

RITUALS, MASSAGES & BODY TREATMENT

RITUALS

Luxury Champagne Treatment

150 minutes IDR 12,000,000 per couple

Starting with a seductive Foot Ritual, cool drops of precious Champagne are poured on the whole body in a refreshing gentle massage, followed by The St. Regis Spa Bali Signature massage using grape seed scrub and grape seed oil. The powerful antioxidant of the grapes will tone and fortify dry malnourished skin, fight free radicals, boost circulation and increase cell hydration to regenerate your skin.

The massage ends with a detoxifying Champagne Body Mask made of white clay mixed with Champagne.

Conclude your treatment with an intimate flower bath and gently emerge from this blissful relaxation with a glass of Champagne under the private gazebo.

Couples' Revitalizing Ocean Journey

180 minutes IDR 11,000,000 per couple

This invigorating and revitalizing treatment features the ocean's unsurpassed riches and natural bounty. The Journey begins with a sensuous and soothing Ocean Clay Massage. Unwound and relaxed, your rested body is now ready for a complete transformation. Exquisite Indian Ocean Black Pearl Body Exfoliant peels away layers of old skin, followed by a whole body application of our futuristic brew of Marine Bio-enzymes and Minerals which promotes the regeneration of new skin cells. A mini-facial and a Sea Bath featuring more precious black pearl and potent caviar enzyme complete this fantastic Journey.

To end your Journey well, we recommend a glass of chilled Champagne and a choice from our Spa Cafe healthy tasting menu, with an additional charge.

Honeymoon Spa Experience

120 minutes IDR 8,500,000 per couple

The perfect way to embark on your honeymoon as well as preparing your skin for Bali's tropical weather, this experience can be enjoyed individually or as a couple. Begin with our signature foot bath to relax the feet and prepare the body for an exotic Body Scrub featuring scents of Jasmine and Tuberose flowers, followed by a Petals and Cream body mask. Rinse off from your scrub with a luxurious flower petal, Tuberose and milk bath accompanied with romantic mocktail and iced pralines. Finish with The St. Regis Spa Bali Signature Massage, leaving skin nourished, soft and supple.

St. Regis Signature 'Bloody Mary' Inspired Ritual

150 minutes IDR 5,500,000 per person

Inspired by St. Regis famed 'Bloody Mary', this signature ritual pays homage to a timeless tradition. Refreshing with a jolt, the treatment begins with an energizing Tomato, Pineapple and Wasabi Body Reviver followed by a skin purifying Vodka Tomato Clay Wrap. A detoxifying massage and an invigorating Tomato Vermouth and Mineral Salt bath ensue, leaving you feeling thoroughly recharged and revived.

Complement your 'Bloody Mary' treatment with freshly shucked oysters in coriander tomato water, served in a spa gazebo with an additional charge.

Lulur Experience of Indonesia

120 minutes IDR 3,700,000 per person

Experience a body treatment developed more than 400 years ago on Bali's "sister island" of Java. Originally designed for brides before their wedding day, this treatment begins with a foot ritual following with relaxing massage. A gentle body exfoliation featuring a scrub of sandalwood, turmeric, ground nuts, rice and other scented woods, polishing and preparing the skin for a rich, yogurt-based emulsion that restores hydration and balance. After an invigorating scrub, enjoy a relaxing soak in a warm flower bath. Your therapist will finish the treatment with a generous application of hydrating body lotion, leaving skin soft and luminous.

Women's Approach

180 minutes IDR 6,000,000 per person

This spa package is thoughtfully designed for ladies. Set the tone for relaxation with a warm foot wash, preparing the body for a relaxing Balinese Massage, followed by a Bespoke Facial. Finish with a Signature Manicure and Pedicure, leaving every inch of your body well cared for.

From hydrating aloevera to seaweed extracts that promote lymphatic drainage, your Spa therapist will design a full body wrap incorporating local Balinese ingredients to recondition your skin from beneath the surface and provide a silky, toned finish.

HOLISTIC TREATMENTS

Detoxification

This cleansing program is created to cleanse the toxins in the body, both in the muscular and blood systems as well as in the digestion system (stomach, small intestine and colon). The program improves the function of the blood and stimulates the vital energy to re-energize and refresh the body.

Detox massage

90 minutes IDR 2,750,000 per person

This massage works on cleansing the toxins in the muscles, tendons and in the lymphatic systems. It improves metabolism, blood circulation and vital energy in the body. A detox massage is given during the cleansing program.

3-Day Cleansing Program

90 minutes IDR 8,250,000 per person

The cleansing program involves drinking a special formula of fresh fruits and vegetable juices only, in order to clean the digestive system and the program consists of a 90-minute daily Detox Massage. The combination of the 3-day cleansing diet and the detox massage is beneficial in removing the toxins from the body, both in the blood, muscle and in the digestive systems. If one is unable to do the 3-day cleansing program, the detox massage is sufficiently good to cleanse the toxins in the body.

Rebalance

90 minutes IDR 2,750,000 per person

This treatment uses acupressure, reflexology and massage to release any stiffness and tension in the muscular system, relieve muscular pain or mental stress. It reduces blocks in the blood circulation and meridians and enhances a smooth flow, cleansing the toxins in the muscles and improving metabolism. It works to relax and rebalance the body from any physical and mental tension or stress to achieve total balance and rejuvenation. The treatment is good for one who is active in work or in sport or for those who would just like to experience total balance and a fresh feel. The treatment starts with foot reflexology, then body massage with reflexology and acupressure, hand reflexology and closes with a head, neck and shoulder treatment.

Re-Energize and Revitalize

90 minutes IDR 2,750,000 per person

This massage treatment combines reflexology, acupressure and Reiki and is good for those who experience low energy, weakness, fatigue, asthenia or poor spirit. The treatment works to stimulate and increase energy and vitality, cleansing any toxins and negative energies, releasing inner tension and facilitating new vital energy flow in the meridians and blood circulation to achieve new power and ultimately to re-energize. Starting with a foot treatment, then reflexology, acupressure and massage of the back and then front of the body, hand reflexology, head and shoulder massage, the treatment closes with a Reiki session.

Javanese Healing

120 minutes IDR 3,500,000 per person

Javanese healing is a systematic holistic treatment using a unique and powerful Javanese therapeutic massage, inner energy treatment and spiritual healing to give a deep holistic healing to the body, mind and spirit. It is good for those who need deep therapy due to both acute and chronic problems of fatigue, asthenia, poor spirit, weakness, general tensions and aching. It rebalances and refreshes the system in the body, mind and spirit. Starting with Javanese therapeutic massage for the whole body, beginning with the feet, leg, back, hand, abdomen, shoulder, neck and head massage, incorporating an inner energy treatment and spiritual healing. Javanese therapeutic massage uses a unique technique of massage that works on the muscles, tendon, blood circulation, lymphatic and vital energy systems, all at the same time.

Master Therapy

90 minutes IDR 2,750,000 per person

This therapy uses the technique of reflexology, acupressure, an inner energy treatment and massage to fix the body system by working on key pressure points, nerve endings, reflex areas, vital energy systems, blood circulation and the muscular system. It is beneficial in curing acute and chronic problems or ailments in the body and it works on the basis of acknowledging the status of the problem and tunneling down to the root of the problem.

It helps with the following problems:

- | | |
|---------------------------------------|---------------------|
| 1. Vertebralgia | 9. High cholesterol |
| 2. Cervical syndrom | 10. Hypertension |
| 3. Lumbago | 11. Neurosis |

| 5. Sports injury | 13. Constipation |
| 6. Arthritis and rheumatoid arthritis | 14. Chest pain |
| 7. Dizziness | 15. Abdominal pain |
| 8. Headache | |

And it also helps those who need general body treatments like:

1. Foot and hand reflexology and acupressure
2. Back treatment
3. Abdominal treatment
4. Shoulder, neck, head and face treatments

Soul Blessing

90 minutes IDR 4,500,000 per person

90 minutes IDR 8,000,000 per couple

Soul blessing is created by a holy priest and holistic master from Bali. Alit, the Guru, is from a holy priest family (Brahmana). When a person has problems with health, limited energy and needs peace and happiness in their life, Soul Blessing will provide purification for the body and mental spirit. Starting with techniques of concentration, controlling of breathing and basic meditation to connect the light and absorb the universal energy for love and happiness, the blessing continues with clearing the body and spirit of negative aura with an energy prana / reiki treatment. This is combined with pure holy water (with young coconut water, sea water, river water, lemon grass, lotus petals flower, rose petals, and some other flowers within one place). The Guru will then engage in an initiation program to charge you with positive energy from the universe and raise the energy levels in the body. The last session is a consultation with the teacher about spirituality, healing, life problems, energy reading and more. Join in the Soul Blessing Journey and feel the benefits of nourishment to and calming of your body, spirit and mind.

All treatments in the holistic program are performed by male therapists.

We provide complimentary consultation prior to your treatment from 2.00 - 6.00 PM.

Advance booking is required.

To complement all our holistic treatments, we recommend the use of Aqua Vitale pool (hydrotherapy massage pool), Finnish Sauna, Aromatherapy Steam Room
