BRAZILIAN SLIMMING & FIRMING RITUALS

ANTI-DIMPLING & FIRMNESS (DETOX) 90 MIN € 145

Inspired by a Brazilian ritual, this contouring treatment combines the “fat burning” properties of caffeine with a unique massage and kneading technique to fight against cellulite on the legs, stomach, hips, back and arms by acting like a firming cutaneous gymnastics session. This treatment is followed by a refreshing, firming and purifying body wrap.

SMOOTHING & TONING (FOLLOW-UP) 30 MIN € 65

A slimming treatment to book with a scrub treatment* to boost cell renewal or as a follow-up session perfect for an intense boost in between long sessions. A deep tonifying massage aims to activate circulation and drain the toxins from the cellular areas. It decongests the tissue, reinforces the vessel walls and improves the quality and smoothness of the skin.
